1. Plain speaking – glossary

Below, we explain some common terms used in this leaflet, in plain English.

Annual Equivalent Rate (AER)

This is a notional rate used for interest bearing accounts which illustrates what the gross credit interest rate (excluding any bonus interest payable) would be if paid and compounded on an annual basis. It helps you to compare the effective rates of credit interest on different accounts.

Effective Annual Rate of Interest (EAR)

This is the real annual cost of an overdraft, stated as an annual rate, which takes into account how often interest is charged to the account. All other charges, such as arrangement fees, must be shown separately from the EAR.

Gross rate

This means the interest rate you are paid before the deduction of income tax.

Net rate

This means the interest rate you are paid after the deduction of income tax. See section 10 for more information on the deduction of income tax from interest paid to you.

Nominal Rate

The rate charged excluding compounding of interest and other charges associated with a borrowing, e.g. arrangement and security fees.

p.a.

per annum (per year).

This leaflet is also available in Braille, large print and on audio cassette. Please ask at any branch for a copy of the leaflet entitled *The Disability Discrimination Act – ‘How we make our services accessible to everyone’*.

2. The price for your banking services

The charges and rates of interest set out in this leaflet include:

- the monthly membership fees we charge for Royalalties Private (section 4);
- the interest rates we may pay you when your account is in credit (section 5);
- the interest rates we charge you when your account is overdrawn (section 6); and
- our unarranged and returned item charges (section 7).

These charges and rates of interest work together as the main elements of the pricing structure we use for our current accounts.

The way we charge puts you in control of what you pay.

As long as you stay in credit, you can enjoy the services listed in section 3 of this leaflet without any separate charge being made. This is possible because our pricing structure enables us to charge for the provision of the account through the fees, charges and interest set out in sections 4, 6 and 7, and through setting the interest rates shown in section 5 at a level which allows us to benefit from the use we make of any credit balance in the account.

3. Services you can receive without separate charge

As long as you stay in credit, you can receive the following services without any separate charge being made:

- payments by debit card in the UK, cheque, Direct Debit or Standing Order;
- transactions using your debit card or ATM card in Royal Bank of Scotland or NatWest cash machines, or almost all other UK cash machines. There are some cash machines in the UK and abroad where the owner of the machine may charge a fee. You will be advised on the screen about any charges before you withdraw cash. You can then stop the transaction if you do not want to be charged;
- account statements (but a charge is made for copies);

- cheque books, paying-in books and statement holders;
- telephone and online banking – apart from the cost of the phone call and any charges your Internet Service Provider may charge you for accessing the service;
- use of our counter services. There may be additional fees if we have to make special arrangements or provide specialist services.

4. Royalties Private membership fees

The following monthly membership fee payable if you are a Royalties Private customer is £18 per month, payable from your Royalties Private Account. Membership includes access to all the benefits listed in the appropriate brochures and user guides. These also contain details of other fees and services.

Application of membership fees

The monthly membership fee will be applied 16 days after the end of the charging period (or on the next business day if this is a Saturday, Sunday or Bank Holiday) and will appear on your account statement as "CHG". The charging period normally ends on the date that we send your statement to you.

6. Interest due on arranged overdrafts

Royalties Private and Private Bank Account

If you have arranged an overdraft facility with us in advance and you use this facility within the thresholds shown below, you will not pay any interest. If the amount you overdraw under an arranged overdraft facility exceeds these thresholds, you will pay interest at the rates shown in the tables below on the overdrawn balance – please note that this includes the part of the balance which is within any interest free threshold that applies to your account. However, we will not charge interest on any part of the overdrawn balance which is an unarranged overdraft or represents fees, charges or costs of the kind described below under the heading *Sums which do not bear interest*.

Type of account	Interest free thresholds
Royalties Private	£500
Private Bank Account	£500

Type of account	Nominal monthly rate %	Nominal annual rate %	EAR%
Royalties Private			
All Amounts	1.16	13.96	14.89
Private Bank Account			
All Amounts	1.49	17.94	19.49

Calculation and application of interest

Interest on arranged overdrafts is calculated on a daily basis and charged monthly. The interest we charge in each charging period will be debited from your account 16 days after the end of that charging period (or on the next business day if this is a Saturday, Sunday or Bank Holiday). The charging period normally ends on the date that we issue your statement to you.

If we are going to debit interest from your account, we will give you not less than 14 days' notice of how much we are going to debit and when.

Sums which do not bear interest

We do not charge interest on unarranged overdrafts. Nor do we charge interest on any part of an arranged overdraft which represents:

- a Default Notice Fee or other sum (apart from interest) you must pay us in connection with a breach of your obligations under your agreement with us; or
- a Returned Item Fee or Unarranged Overdraft Fee (see section 7 for details of these charges).

Changes to Interest Rates

From time to time we may alter the interest rates we charge on arranged overdrafts set out in this leaflet. When we do this we will notify you personally not less than seven days before the change comes into effect, unless your arranged overdraft interest rate is linked to an internal reference rate (for example, set at a margin over our base rate). For arranged overdraft interest rates that are linked to an internal reference rate, we may notify you as soon as possible by press advertisements within three of the following daily national newspapers:

The Times	The Financial Times
The Independent	The Guardian
The Daily Telegraph	Daily Mail
Daily Express	The Scotsman
Daily Record	The Herald
The Press & Journal	

If we notify you by press advertisements, we will also advertise the changes on our website www.rbs.co.uk and, where the alteration applies to branch based accounts, by branch notices.

7. Arranged Overdrafts, Unarranged Overdrafts, Returned Items and Enforcement Charges

Royalties Private and Private Bank Account

The charges shown in this section do not normally apply to the other accounts we offer to Private Banking customers. However, we sometimes allow our other accounts to be operated in a way which enables the customer to give instructions for a withdrawal or other payment which cannot be met from the funds in the account.

Arranged overdrafts – arrangement and renewal fees

Arranged overdrafts less than £15,000	
– arrangement and renewal fee	Free
Arranged overdrafts of £15,000 or more	
– arrangement fee	2% of amount
– annual renewal fee	1% of amount

Account switching service – interest free overdraft

If your account is a Royalties Private or Private Bank Account and you intend to take advantage of, or have taken advantage of, our switching service, then there will be an interest free period on the overdraft. This means that, during the interest free period you will not pay any interest on any amounts overdrawn on the account. The interest free period will start once we process your transfer of account instructions and will end six months after your account is opened.

The overdraft confirmation information we will issue to you after we have agreed to provide the overdraft will contain a Total Cost of Credit amount. Under the Consumer Credit Act we are required to provide you with details of the cost of credit covering a period of three months based on the whole overdraft facility being drawn in full over that period.

When we calculate the Total Cost of Credit, we will use the interest rate that applies to the overdraft at the time the facility is agreed. Please note that where we have not yet processed your transfer of account instructions when the overdraft is agreed, the rate used in the calculation will be the rate that will apply when the interest free period ends. The Total Cost of Credit amount is illustrative only and the actual cost will depend on your use of the overdraft, which will include the interest free period you may enjoy.

Unarranged overdrafts and returned items – charges

If we are going to charge you an Unarranged Overdraft Fee and/or a Returned Item Fee, we will give you not less than 14 days' notice of how much we are going to charge you and when.

Unarranged Overdraft Fee

An Unarranged Overdraft Fee will be charged for each day on which there is an unarranged overdraft of greater than £6 on your account at close of business on that day.

Please note: we will only charge an Unarranged Overdraft Fee for a non-business day (i.e. a Saturday, Sunday or Bank Holiday) if there is an unarranged overdraft of greater than £6 owing on your account at close of business on the first following business day.

When charged

16 days after the end of the charging period (or the next business day if this is a Saturday, Sunday or Bank Holiday). The charging period normally ends on the date that we issue your statement to you.

Fee Amount

£6 for each day for which an Unarranged Overdraft Fee is payable.

Returned Item Fee

A Returned Item Fee will be charged if:

- you informally request an unarranged overdraft by issuing instructions for a withdrawal or other payment; and
- the payment cannot be met from the funds in your account or any unused arranged overdraft facility; and
- we decide in our discretion not to make the payment.

When charged

16 days after the end of the charging period in which we decide not to make the payment (or the next business day if this is a Saturday, Sunday or Bank Holiday). The charging period normally ends on the date that we issue your statement to you.

Fee amount

£6 for each returned item (subject to a maximum of £60 in any charging period).

Making an informal request for an unarranged overdraft means you will normally have to pay a Returned Item Fee and/or an Unarranged Overdraft Fee. Please note that it is possible to incur both a Returned Item Fee and an Unarranged Overdraft Fee on your account on the same day or as a result of a single transaction (for example, where we take a Returned Item Fee from your account and this creates an unarranged overdraft of greater than £6 on your account).

Enforcement Charges

Enforcement

A Default Notice Fee will be payable if we need to serve a default notice on you (for example, if you fail to repay your overdraft on demand or we wish to enforce any security we hold). This is in addition to any other charges that may apply.

When charged

Within four days of the Default Notice being served.

Fee amount

£30 per notice.

Changes to Charges

From time to time we may alter the charges set out in this leaflet. If we increase a charge, we will notify you personally not less than 60 days before the change comes into effect.

Repayment of your overdraft

We can withdraw your overdraft from your account, or demand repayment of your overdraft, if we have a valid reason for doing so and we give you written notice. We will normally give you at least 30 days' prior notice, but our notice may take effect immediately in certain cases.

For more information on when we can withdraw or demand repayment of your overdraft in this way, please see General Condition 6.5.2 (Repayment and termination of your overdraft) in our leaflet *Personal and Private Banking – Terms and Conditions*.

8. Foreign transaction and Debit Card charges

Within Europe some cash dispenser networks have imposed a maximum value per transaction of €150 (equivalent to around £135). To withdraw more than this you will have to carry out more than one transaction.

10. Interest on credit balances – taxation

In most instances, interest is paid after the deduction of 20% income tax. If you are a non-taxpayer or overseas resident you can have interest paid without deduction of income tax provided you complete HM Revenue and Customs form R85 available at any of our branches. This also applies on a 50/50 basis where one party to a two party account is a non-taxpayer.

Where the tax deducted exceeds an investor's tax liability (if any), a claim may be made to HM Revenue and Customs for repayment of tax. Individuals who pay only basic rate tax will have no more tax to pay on the interest from which tax has been deducted. Individuals who are liable at the higher rate of income tax of 40% will have to pay additional tax on the interest to cover the difference between the tax deducted and the higher rate tax due.

Ask your Private Banking Manager for further information.
