I enclose a cheque payable to RBS Collective Investment Funds Limited

* If you wish to have income paid out to you, you must complete the Direct Credit information in Section 5 of this application form.

4. In specie APS details

Please only complete this section of the application if you wish to make an in specie APS. An in specie APS is where the shares or units which your spouse / civil partner held in their ISA are transferred to your ISA (without having to be sold and the subscription under the APS allowance made in cash).

You should not complete Section 3 if you complete this section.

Please indicate below the investments which your spouse / civil partner held in their ISA(s) with us which you wish to be transferred to you pursuant to an in specie APS:

Fund	Share/Unit Class	Number of units or shares to be transferred.*	Tick if income is to be paid out
Global Bond Fund			
UK Equity Fund (Income)			
UK Equity Fund (Accumulation)			N/A
Managed Defensive Fund			N/A
Managed Equity Growth Fund			N/A
Managed Growth Fund (Income)			
Managed Growth Fund (Accumulation)			N/A

* If the entire holding in a Fund is to be transferred, "All" may be entered, instead of an actual number.

Note: In order to be able to make an "in specie" APS, the above investments:

- 1) must have been held by your spouse / civil partner in an ISA with us – an in specie APS is therefore not available where you have transferred the APS allowance to us from another ISA provider;
- 2) must have been inherited by you – this will be evidenced by virtue of the executor(s) of the estate of your spouse / civil partner;
and
- 3) must still be held with RBS Collective Investment Funds Limited – an in specie APS is therefore not available where the investments have already been redeemed or transferred out of the estate of your spouse / civil partner other than by way of the beneficial ownership of the investments passing to you.

As with any other APS, the limit which you are permitted to subscribe pursuant to an in specie APS is the value of the ISA(s) which your spouse / civil partner held with us on the date of death. However, the value of the in specie subscription will be calculated on the day of transfer of the above investments to your ISA. If this exceeds the amount of your APS allowance with us, then only an amount of the above investments up to the APS allowance will be transferred to your ISA.

We will therefore reduce the number of shares/units in each fund listed above to be transferred by an amount which is proportionate to the difference between the total value of all of the above investments at the date of death and the total value of all of the above investments on the day of transfer. The remainder shall be (please tick one box):

Transferred to you to be held outside of your ISA directly in the ICVCs applicable to the above funds; or

Redeemed and the proceeds returned to you.
