

Help and support for your everyday banking

**Nottingham City Office branch closure.
17 May 2022.**

Facts correct as at 30 October 2021.

Royal Bank of Scotland Nottingham City Office branch will be closing on 17 May 2022

The way we bank is changing

With the ease of mobile and digital banking fewer people are coming into the bank. This means we've had to make some tough choices about which can stay open. So, we want to make sure that we keep the branches people are using most.

Across the bank we have seen.

- Average counter transactions reduced by 53% between January 2018 and February 2020.
- The number of customers using mobile apps increased by 17% between January 2018 and February 2020.
- More than 145 million mobile and online transactions were processed in 2020.

How we decide to close a branch

Closing a branch is always difficult and not a decision that we ever take lightly. We look at:

- The likely impact on customers. How often customers use the branch – and the transactions they're making.
- Their banking preferences.
- Where the nearest branch and nearest cash machines are.
- Is there a local Post Office® for everyday banking?
- All the other banking options: Digital, Mobile, Telephone and Video Banking.

In Nottingham City Office, we saw

- between 2017 and 2019, counter transactions for personal customers have decreased by 40%
- the branch was used by 2 personal customers on a regular basis in 2019
- in 2019 51% of personal customers using the branch also chose to use Digital Banking or our mobile app
- the branch was used by 89 business customers on a regular basis in 2019.

We have used data up to 2019 as this represents normal branch usage, as 2020 data has been significantly impacted by the coronavirus pandemic.

Our responsibility to you

We completely understand that Digital Banking isn't right for everyone. Sometimes you want to chat things through with someone. We promise that you'll still be able to talk to one of our team either on the phone, by video or in one of our other branches.

We've put together this leaflet to guide you through the changes, but if you've got any questions at all just ask one of our team.

They'll be on hand to help you find ways you can bank that best suit your needs. We're also here for anyone who'd like help in getting started with Digital Banking or our app. As well as short, easy-to-follow How To videos, we run digital classes over Zoom. You'll find everything you need to know on our website [rbs.co.uk/digitalbanking](https://www.rbs.co.uk/digitalbanking). (And there are some handy fraud and scam awareness tips too.)

We also have Customer Support Specialists that are dedicated to helping customers who need more support.

Your opinion matters

That's why we're getting in touch with our customers and engaging with the local community to talk through our decision. We will update this factsheet with details of who we contacted, a summary of responses - and any complaints. You'll be able to read the results at rbs.co.uk/branchclosures by 03 May 2022.

Meanwhile, if you'd like to ask us anything or you need extra support, please get in touch with your Local Director, Kirsty Cockcroft, on 07971 133946 or Kirsty.Cockcroft@rbs.co.uk.
