Tariff of Mortgage Charges

RBS is closely involved in the mortgage industry's initiative with Which? to make our fees and charges easy for you to understand. Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages. When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

When you will pay this charge

These are the fees and charges you may have to pay before we transfer your mortgage funds.
