These results are from an independent

survey carried out between January 2023

and December 2023 by BVA BDRC as part

of a regulatory requirement. The Royal Bank of Scotland has published this information at the request of the Competition and Markets Authority so you can compare the quality of service from business current account providers. In providing this information, we are not giving you any advice or making any recommendation to you and we can only give you information about our own products and services. SME customers with business current accounts were asked how likely they would be to recommend their provider, their provider's online and mobile banking services, services in branches and business centres, SME overdraft and loan services and relationship/account management services to other SMEs. The results show the proportion of customers of each provider, among those who took part in the

survey, who said they were 'extremely likely' or

'very likely' to recommend each service.

Participating providers: Bank of Scotland,

operative Bank, Tide, TSB, Virgin Money.

Approximately 1,200 customers a year are

Barclays, Handelsbanken, HSBC UK, Lloyds

Bank, Metro Bank, Monzo, NatWest, Royal Bank

surveyed across Great Britain for each provider;

results are only published where at least 100

customers have provided an eligible score for

of Scotland, Santander, Starling Bank, The Co-

in August and February. *SMEs include businesses, clubs, charities and societies with an annual turnover/income of up to £25m (exclusive of VAT and other turnover-

business-banking-service-quality

related taxes).
