

Changes to your Premier Reward Black account and terms

We're making some changes to your Premier Reward Black account from **1st October 2026**. We're also updating the terms that apply to your account(s). Here's everything you need to know.

- We're introducing new health and travel benefits from 1st October to support your health and wellbeing and help you stay connected abroad.
- Some of your existing benefits will also change, and some will no longer be available.
- Your monthly account fee will increase from 1st October.
- Everything will happen automatically, so there's nothing you need to do.
- We're also updating the terms that apply to your account(s). These updates include a change to how you can earn Rewards. If you have more than one account, they apply to all of them.

It's a good idea to review your account(s) to make sure it still meets your needs. We've summarised the main changes below and included the details with this document.

Your Premier Reward Black account

Our customers have told us what matters most to them, and we've used this to shape the changes we're making to your account benefits from **1st October 2026**.

We're bringing together insurance, health, travel and lifestyle benefits all in one place.

To reflect these changes, your monthly account fee will increase from £36 to £39 from 1st October.

You'll still have worldwide family travel insurance, worldwide airport lounge access, UK and European AA breakdown cover, mobile phone insurance and your Concierge service.

And there are no foreign transaction fees when you buy with your Premier Reward Black debit card abroad or make a payment in a foreign currency. (Excludes cash withdrawals, and other providers overseas may charge a fee.)

Taken together, your updated benefits could be worth up to £3,264 a year*. You can see all your benefits at rbs.co.uk/oct26-reward-black, and we've put the main points below.

* Estimated value based on using all benefits, excluding any promotions and account fees. Values calculated between February and May 2026. See our website above for more details.

New health benefits

We're adding new ways to support your health and wellbeing.

- **Virtual GP, 24/7.** Consultations for you and your family, including private prescriptions (prescription charges apply). Collect from your pharmacy or have it delivered.
- **Mental health and wellbeing support.** A 24/7 helpline, counselling and advice, plus digital fitness, wellness and nutritional content.
- **Direct access to physiotherapy.** Book a virtual consultation with a qualified physiotherapist without a GP referral. Receive personalised treatment plans supported by easy-to-follow instructional videos.
- **Annual health check.** A questionnaire and simple home blood test kit is used to complete your health assessment, with the option to discuss your results.
- **Expert medical opinion.** To help you better understand a diagnosis and your treatment options, a medical expert will prepare a detailed written report based on your medical history and any relevant information.

New travel benefit

- **Travel eSIM.** You can get 5GB of free mobile data each month to use abroad, helping to reduce roaming charges (valid for 30 days once activated).

⇌ Changes to your existing benefits

- **Travel & Lifestyle Concierge.** Your Concierge service will be called Travel & Lifestyle Concierge from 1st October, and you'll be able to access it online through the Premier Black app or MyBenefits website.
- **Travel cover for over 70s.** We'll continue to offer travel insurance for customers aged 70 or over. The annual premium will increase from £75 to £100 from 1st October. We'll remind you when it's time to renew, so you can decide if it's right for you.
- **Home Emergency Service, Ticket Booking Service and Cinema Discounts will be removed from 1st October.**
- We're making some other changes. You can find the full summary in the PDF below.

Summary of changes to Your Current Account Terms

Effective 1st October 2026

What's changing and where you'll find the new term	More information about the change
Electronic transfers (General Term 4.1)	We're updating our terms that set out how electronic payments are credited, making it clearer when the money is available to use, and when it will start to earn interest.
Cash deposits at the Post Office (General Term 4.2)	We're updating your terms to better reflect how long cash deposits made at Post Office counters using a pay-in slip take to clear.
Debit card order limits (General Term 5.6)	We're introducing limits on how many debit cards you can order or replace. You can still request a replacement if your card is damaged, lost or stolen.
Removing foreign transaction fees for Reward and Premier Reward debit cards (General Term 7.4)	If you use a Reward or Premier Reward debit card to buy things abroad or to make a payment in a foreign currency, we won't charge you a foreign transaction fee anymore. This applies now, and we'll update your terms to reflect this. (Excludes cash withdrawals, and other providers overseas may charge a fee.)
CHAPS payments (General Term 8)	At the moment, if you make a CHAPS payment, we give you separate CHAPS terms every time you make a payment. From 1st October 2026, we'll include the CHAPS terms in Your Current Account Terms.
Booked payments – foreign currency cheques (General Term 9.3)	Booked payments are larger payments in a foreign currency, usually the equivalent of £100,000 or more. In some cases, we may treat other payments as booked payments. We're making it clear this term includes payments made or received by foreign currency cheque.
Notice before closing an account (General Term 14.2)	New rules introduced in April 2026 mean that if we ever need to close your account, we'll give you at least 90 days' notice and explain why. In some limited situations, this may not apply. We've updated your terms to reflect this.
Your information (General Terms 16.6 and 16.7)	We've updated the wording in the Your Information section to clarify the purposes for which we may share your information within the NatWest group and with third parties, to carry out our business activities as a group of companies and to provide you with products and services.
